Office Action Summary

Art Unit: 1617

Under PCT restriction practice claims wherein there is a ^{unity}~~unity~~ of invention shall be considered as a group. Claims have a unity of invention when they are linked by a special technical feature. Thus composition, method of making and method of using claims directed to the same invention. Are examined together. However, applicants claim plural compositions comprising one or more different polymer matrices. Each polymer matrix constitutes ~~because~~ a unique special technical Feature ^{because} each polymer possesses unique properties ^{based on its structure. Thus,} applicants must elect one ultimate polymer matrix for examination.
